

October Newsletter

Dear Parents,

Hi! I just wanted to let everyone know that St. Mary Sunday Kindergarten and Preschool is off to a great start. All of the children seem to be enjoying themselves and have been an absolute pleasure to teach. Our teachers and volunteers are doing a wonderful job helping to create an environment that is fun for the children while they are learning about their relationship with God, the Catholic community and the world around them.

October will be a very exciting and fun month for the children. Our theme for the three-year-old class will continue to focus on the children and how special and unique they are in God's eyes. The four-year-old class will be focusing on each child's uniqueness in God's eyes and learning about some wonderful biblical stories. The five-year-old class will be focusing on how they are special to God and the people around them such as their friends and family. Music will be introduced this month as we begin to teach the children several songs that coordinate with the curriculum.

Parents please remember to send in your registration fees. Also to all of the parents who are helping in the classroom don't forget to sign up for a Virtus training class if you are not already Virtus trained. If you have any questions concerning this matter contact Laurie Marzullo at the Parish Office at 635-4188. Thank you in advance for your consideration concerning these issues.

Don't forget to check out the Sunday Kindergarten and Preschool Website. Just log on to saintmaryparish.com. Copies of all handouts, newsletters and the schedule will be posted there for your convenience along with information concerning upcoming events.

Attention Parent's: Please make note that we will be taking off next Sunday, October 9th for Fall Break. Classes will resume on the following Sunday, October 16th.
