LEARN - LEAD - SERVE

Please join us at our Open House and find out about the great things that are happening at St. Mary School. This year, the Saints are “Anchored in Christ.” You will see evidence of this theme throughout the building.

St. Mary offers a challenging and inclusive curriculum for students in preschool (3- and 4-year-old) through 8th grade. Each grade level takes enrichment classes in Art, Library, Music, Phys. Ed., Spanish, & Technology. Students and parents love our small class sizes.

Find out more about the exciting changes at SMS this year, such as the RtI Program for Reading, and the new lab and updated software for Accelerated Reader.

We hope to see you on the 29th!

- ◆ Take a personal tour
- ◆ Meet our faculty & staff
- ◆ Go “fishing for facts” in each classroom to learn more about SMS
- ◆ Presentation from the principal at 12:30, 1:00, and 1:30 – choose the time that’s best for you
